PROJECT NAME	Traffic and Capacity Analytics for Major Ports

The screenshot displays the IBM Cognos Analytics with Watson user interface. At the top, a blue header bar contains the text "IBM Cognos Analytics with Watson", a tab indicator showing "2 items open", a notification badge with "16", and a search bar labeled "Search content". Below the header, a green notification banner states "Railway Traffic in all regions.xlsx was uploaded successfully." with a "Hide Details" link. The main content area features a large dark blue banner with the text "Hello. Welcome to Cognos Analytics with Watson." and a sub-message: "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Below this banner are two buttons: "Watch video" and "Take a product tour". To the right of the text is an isometric illustration of data cubes and charts. Below the main banner, a section titled "Quick launch" with an expandable arrow contains four tiles: "Upload data" (with an upload icon and description: "Upload or drag and drop spreadsheets, csv files, and other data sources."), "Prepare data" (with a data module icon and description: "Use data modules to clean and connect data from multiple resources."), "Exploration" (with a magnifying glass icon and description: "Quickly find unbiased answers by identifying trends in your data with data exploration."), and "Present data" (with a dashboard icon and description: "Create sophisticated, multi-page, multi-query dashboards, reports, or stories.").
